Lesson 2.1

- **Part 1:** Take quality notes on Section 7.1: The Discovery of Cells of the reading **A View of the Cell!** (be patient while the online textbook loads). Include quality sketches of Figures 7.2a and 7.2b with labels. Then, answer the section assessment questions 1-6 on p. 174 in complete sentences.
- **Part 2:** Take quality notes on Section 7.3: Eukaryotic Cell Structure of the reading **A View of the Cell!** (be patient while the online textbook loads). Sketch Figures 7.14a and 7.14b, using color and including all labels. Copy Table 7.1 into your notes as well. Then, answer the section assessment questions 1-5 on p. 187 in complete sentences.

If you were present for Lesson 2.1 Part 1, STAPLE this Part 2 sheet of paper to the back of Lesson 2.1 before you turn it in. If you were absent both days, you will just complete both parts above and turn that in.
