

Unit 2 make up lessons: <http://nkscience.weebly.com/unit-2-make-up-work.html>

Lesson 2.5 (Remember to see your teacher if you don't have easy access to a printer and need a hard copy of the assignment sheet).

- **Part 1** [Assignment Sheet](#) Use the links below to help you complete the assignment:
- **Part 2:** [Assignment Sheet](#)

Links to help you complete Lesson 2.6:

- Click [HERE](#) for the [Lesson 2.6 Macromolecule Notes](#)
 - If the above link to the slides doesn't work, try the back up PDF document
- Video: [What are Macromolecules?](#) (quick intro, 2 min)
- [Video: Macromolecules: Carbohydrates, Proteins, and Lipids](#) (GREAT ONE! We watched it in class, explains polymers, 3 min)
- Video "[The Molecules of Life](#)" (more detail than we need, 11 min total, but best review begins at 6 min mark)
- INDICATOR TEST VIDEOS:
 - [Video: Benedict's Indicator Test for Sugar](#)
 - [Video: Lugol's Iodine Test for Starch](#)
 - [Video: Biuret Indicator Test for Proteins](#)
