## Lesson 2.7

- Take quality notes on **Section 6.3: Life Substances** of the reading at <http://www.glencoe.com/sec/science/ose/bdol2005/ca/docs/chap06.pdf> (be patient while the online textbook loads, then scroll to section 3). Include a quality sketch of Figure 6.23 with labels (sketch the portion that shows four parts A-D). Then, answer the section assessment questions 1-4 on p. 163 in complete sentences.
